### BRADY IS TO BE CHIEF Another Excellent Appointment

Is Made by the San Pedro.

Robert W. Brady is unofficially anounced as the man who will be chief distributed on the San Pedro line. The news thile not confirmed by high officials of their road, leaked out yesterday. Mrady when asked if there was any truth the rumor declined to say. He states

the title he was holding. ficial of the Short Line said yes

Son Pedro."

It was also stated yesterday that Carl J. Balch had received a titled position with the San Pedro. Mr. Balch has been chief clerk with the Short Line in the freight department, and is regarded as one of the most valuable men with the company. An effort to find him last evening was not successful, but the information was received from a very reliable source, and it would not be a surprise if developments show that he has received a responsible position under E. W. Gillett, the general freight and passenger agent of the San Pedro.
